# GeoQuest Jack

Hi my name is

## **GeoQuest Jack**

I'm on a quest to travel  
around the world to tell people  
about my home in the Shuswap.

Can you please help me on  
my quest by taking me  
with you and  
dropping me off at  
cache where others  
can find me?

I know those back home  
would love to see pictures of  
my adventures, so if you can

e-mail them to  
**geoquestjack@futureshwap.com** they  
will get posted on our website. (If you can  
tell them where you found me and  
where you took the  
photo's that would be  
great.)
