GeoQuest Jill

Hi my name is

GeoQuest Jill

I'm on a quest to travel
around the world to tell people
about my home in the Shuswap.

Can you please help me on my
quest by taking me
with you and dropping
me off at cache
where others can find
me?

I know those back home
would love to see pictures of
my adventures, so if you can

e-mail them to

geoquestjill@futureshuswap.com they will
get posted on our website. (If you can tell
them where you found me and
where you took the
photo's that would be
great.)
